

Politechnika Świętokrzyska

WYDZIAŁ INŻYNIERII ŚRODOWISKA, GEOMATYKI I ENERGETYKI

NAME OF SENDING INSTITUTIONS:

National Academy of Science of Ukraine
Institute of Engineering Thermophysics
Address: 2a, Marii Kapnist str., Kyiv, 03057, Ukraine
Tel. +380 44 4566282 E-mail: admin@ittf.kiev.ua

Since 2023, in accordance with the signed cooperation agreement between the Technical University in Kielce and the Institute of Technical Physics of the National Academy of Sciences of Ukraine, joint scientific research related to the problems of heat and mass transfer and thermodynamics has been carried out. In this regard, we would like to express our interest in continuing our cooperation as well as supporting the new Educational and Scientific Program for the preparation of doctoral students in "Thermal Power Engineering" in the specialty 144 "Thermal Power Engineering", developed by Professor Borys Basok.

KIEROWNIK

Katedry Fizyki Budowli i Energii Odnawialnej
Wydziału Inżynierii Środowiska, Geomatyki i Energetyki

prof. dr hab. inż. Jerzy Zbigniew Piotrowski

J.Z. Piotrowski

Doctor of Technical Sciences, Professor
Department of Building Physics and Renewable Energy
Kielce University of Technology
